Dear Resident,

Re: Proposed extension of no waiting at any time restriction on Glen way

The Council has received a number of requests from residents and elected members regarding an issue drivers face turning into Glen Way from Hempstead Road as a result of vehicles parking in close proximity to the junction.

Drivers find it difficult to turn into the Glenn Way when vehicles are waiting to turn out of it. The extent of the existing double yellow lines on the southern side only allows approximately 2- 3 vehicles to turn into and wait on Glen Way until the waiting traffic has turned out onto Hempstead Road. This affects the flow of traffic and causes congestion at the junction, especially during peak hours.

It is therefore proposed to extend the no waiting at any time (double yellow lines) on Glen way to improve traffic flow and reduce congestion at the junction.

A plan (Drawing Reference WR22TRO2118/IF/PK1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Friday 29th July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer.
