Dear Resident,

Re: Proposed changes to parking restrictions on North Western Avenue (Nos 210-196)

The Council has received a number of requests from residents and elected members regarding accessibility issues and inconsiderate parking taking place on Leggatts Rise during busy periods at the weekend.

Vehicles have been observed to park on the restriction at the junction causing obstruction to residents accessing their property during busy times at the weekend. The road is used by visitors to park, on both sides of the carriageway, to attend activities in the local area from Friday to Sunday. The issue with the parking also raises a safety concern for pedestrians crossing the road and obscures drivers' visibility.

It is therefore proposed to remove the existing Friday to Sunday 12.30pm to 2pm restriction on the northern side of the carriageway and to convert the existing Friday to Sunday 12.30pm to 2pm restriction on the southern side to no waiting and no loading at any time.

A plan (Drawing Reference WR22TRO2118/IF/ST8) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Friday 29th July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage

Yours faithfully,

Norma Adjepong
Traffic Engineer.
