Dear Business,

Francis Road junction with Market Street – Statutory consultation on proposed introduction of waiting restrictions

Thank you for your feedback and comments following the informal consultation we carried out with residents in July 2022.

Ward Councillors and officers reviewed all feedback received from the informal consultation and have agreed to proceed to the statutory consultation stage on proposals to introduce waiting restrictions around the junction.

Following the feedback received, the proposed restriction has been reduced in length from 10 metres to 5 metres on the Market Street side. This will ensure there is adequate space for the businesses to load and unload whilst making sure visibility of pedestrians and other vehicles is not obscured and access for larger vehicles is improved.

The proposals are shown on the drawing attached (Drawing Reference WR22TRO2118/SC/CE1) for your information.

The statutory consultation period commences on **Friday 23rd September 2022**. Representations of support or objections to the proposal, together with the grounds on which they are made must be sent in writing to Justin Bloomfield, Head of Parking, Town Hall, Watford, WD17 3EX or by email to TID@watford.gov.uk. The deadline for the receipt of objections or representations of support is 23:59 on **Friday 14th October 2022**.

All comments will be considered by Ward Councillors and officers prior to any decision being made on whether to implement the proposals.

Yours faithfully,

Norma Adjepong
Traffic Engineer
