Dear Occupier,

**Re: Proposed changes to waiting restrictions on Granville Road and Cambridge Road junction**

The Council has received a number of requests from concerned residents and elected members regarding the obstructive and inconsiderate parking taking place on the No Waiting at Any Time restrictions on the Cambridge Road junction with Granville Road.

The parking which occurs on the existing no waiting at any time restrictions, on both sides of the junction causes obstruction to other vehicles turning out of Cambridge Road onto Granville Road and pedestrians crossing at that location. As a one way street this also impedes larger vehicles from turning at this point.

It is therefore proposed that a No Loading at Any Time restriction is added to the existing No Waiting at Any Time restriction to deter vehicles from parking, improving visibility and safe access of drivers at the junction. It will also improve safety for pedestrians crossing at that location.

A plan (Drawing Reference WR22/1F/CE4) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email [TID@watford.gov.uk](mailto:TID@watford.gov.uk). The deadline for responses is Friday **23<sup>rd</sup> December 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong  
Traffic Engineer.
