**Date:** 2<sup>nd</sup> December 2022

Dear Occupier,

**Re: Proposed introduction of parking restrictions on Perivale Gardens**

The Council has received a number of complaints from concerned residents and elected members in regard to the reduced forward visibility splays experienced by drivers when vehicles park on the inside of the carriageway bend.

Due to the nature of the carriageway which bends from the southern to the north-eastern direction towards the junction with Meadow Road, at this location the forward visibility splay is reduced for drivers on the road. This poses a safety issue for all other drivers accessing the road and pedestrians crossing at that location.

It is therefore proposed to implement no waiting at any time restrictions around the bend to deter vehicles from parking and improve the visibility of drivers using the road. The measures will also improve visibility for pedestrian crossing at that location.

A plan (Drawing Reference WR22/IF/ST4) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email [TID@watford.gov.uk](mailto:TID@watford.gov.uk). The deadline for responses is Friday **23<sup>rd</sup> December 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong  
Traffic Engineer.
