Dear Occupier,

Re: Proposed introduction of No Waiting at Any Time at the junction of the Car Park access and Southwold Road

The Council has received a request from the management company of the flats north of Southwold Road, to review an issue they have raised of vehicles parking very close to the access of the car park, which limits visibility and access for car park users.

To ensure greater visibility for all road users, it is proposed to introduce no waiting at any time around the access, to deter vehicles from parking too close. The Council only has the authority to implement waiting restrictions on the public highway.

A plan (Drawing Reference WR22/1F/CA4) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday **23rd December 2022**.

As local residents, your views are important and all responses received, will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer.
