Dear Resident,

Re: Proposed introduction of waiting restrictions at the entrance of Lyndon Court

The Council has received a number of complaints from concerned residents and elected members with regards to the reduced visibility splays experienced by drivers at the junction of Louvain Way and the access road into Lyndon Court.

This issue is due to vehicles parking on the footway at or close to the junction and raises a safety issue for other drivers accessing that location, as well as pedestrians crossing the carriageway.

To deter vehicles parking at that location, and improve visibility and safety, it is proposed to introduce a no waiting at any time restriction around the junction.

A plan (Drawing Reference WR23/IF/WD1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is **Friday 4th August 2023**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer
