Dear Resident,

Re: Proposed introduction of waiting restrictions at Newlands Walk junction with Trevellance Way

The Council has received a number of complaints in relation to the obstructive and inconsiderate parking taking place on the northern side of the junction between Trevellance Way and Newlands Walk which raises a safety issue for both drivers and pedestrians.

Drivers, particularly those turning onto Trevellance Way are experiencing issues with reduced visibility and obstruction as a result of vehicles parking at or too close to the northern side of junction. The indiscriminate parking also reduces the visibility of pedestrians crossing at this point.

It is therefore proposed, in the interest of road safety, that no waiting at any time restrictions (double yellow lines) are implemented on northern side of the junction to deter parking.

A plan (Drawing Reference WRR24/IF/WD3) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday 8th March 2024.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
