Dear Resident,

**Re: Proposed changes to waiting restrictions on the St. John's Road and Franklin Road junction**

The Council has received a number of requests from concerned residents and Ward Councillors regarding the obstructive and inconsiderate parking taking place at the junction of St Johns Road with Franklin Road.

The parking occurs on the existing no waiting at any time restrictions, on both sides of the junction, causes obstruction to other vehicles turning in and out of the junction, as well as pedestrians crossing at that location.

It is therefore proposed that a No Loading at Any Time restriction is added to the existing No Waiting at Any Time restriction to deter vehicles from parking. This will improve visibility and safe access around the junction, and also improve safety for pedestrians crossing at that location.

A plan (Drawing Reference WRR24/IF/CE1) showing the proposals is attached for your review.

If you wish to make comment on the proposals, as part of this informal consultation, please contact me by telephone or email [TID@watford.gov.uk](mailto:TID@watford.gov.uk). The deadline for responses is Friday 8<sup>th</sup> March 2024.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
