Dear Occupier,

Re: Proposed extension of waiting restrictions either side of the entrance to the Riverside Industrial Works

The Council has received a number of complaints from residents and elected members regarding vehicles parking on the footway between the Riverside Industrial Works/Riverside Road junction and property no. 115 on the western side and no. 109 on the eastern side. This raises a safety hazard for pedestrians, particularly vulnerable ones accessing the footway as it forces them into the carriageway to get round the parked vehicles.

It is therefore proposed to extend the recently implemented No Waiting at Any Time restrictions on either side of the entrance to the Riverside Road Industrial Works, across the footway between the properties, to deter vehicles from parking on the footway and permit pedestrians to use the footway safely. It will also improve visibility for vehicles accessing/egressing Riverside Industrial Work.

A plan (Drawing Reference WRR24/IF/OX1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday 8th March 2024.

As local residents and businesses, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
