Dear Resident,

Re: Proposed introduction of waiting restrictions on Cow Lane

The Council has received a number of complaints from residents and elected members concerning the vehicles that park on the western side of Cow Lane, just north of its junction with St. Albans Road for long periods.

Residents have complained about the number of vehicles that that park up on Cow Lane, sometimes for long periods of time meaning that they struggle to find a parking spaces in the area. The vehicles that park at the location also obscure the visibility of drivers entering or exiting Cow Lane as a result of the carriageway alignment.

It is therefore proposed to introduce waiting restrictions (single yellow line) over the unrestricted section of carriageway, on the western side and between the existing no waiting at any time restrictions to deter long term parking. The restrictions are proposed to operate **No Waiting Monday – Saturday, 11am – 12pm.**

A plan (Drawing Reference WRR24/IF/ME2) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is **Friday 8th March 2024.**

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
