Dear Resident,

Re: Proposed introduction of restrictions on the parking bay adjacent to no. 292 – 304 Lower High Street

The Council has received concerns from residents, through the Mayor's office, regarding the difficulties they experience in finding a space to park in the small number of bays located adjacent to 292-304 Lower High Street, due to vehicles being parked in these bays for long periods of time.

To address the issue, it is therefore proposed to formalise the parking bay by introducing restrictions to operate as a Limited Waiting Bay during the hours of Monday to Friday 10am to 4pm. During these hours, parking will be limited to 2 hour with no return within 2 hours. This will deter parking for long periods by introducing a limited waiting period during the day and improve residents access to the parking spaces during the evening and weekends.

A plan (Drawing Reference WRR25/IF/CE1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 1st August 2025**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
