Dear Resident,

Re: Proposed Introduction and formalisation of loading restrictions on the layby outside London Square, St Albans Rd.

Following completion of the London Square development, a loading bay was created on St Albans Road adjacent to the development to facilitate loading activities.

Since its introduction, vehicles loading and unloading have had difficulty accessing the bay, due to vehicles parking within it, often for long periods.

To ensure this area is not used for parking and only as a loading bay as it was intended, It is proposed to enforce the existing loading restriction by implementing a Loading only restriction between 7am – 7pm. This will ensure it is used for loading as intended and is consistent with other loading restrictions = in the immediate vicinity.

A plan (Drawing Reference WRR25/IF/LE3) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 1st August 2025**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
