Dear Resident,

Re: Westfield Avenue and Norfolk Avenue junction – Statutory Consultation on proposed introduction of no waiting at any time restrictions

Thank you for your feedback and comments following the informal consultation we carried out with residents from 11th July to 1st August 2025.

Ward Councillors and officers reviewed all feedback received from the informal consultation and have agreed to proceed to the statutory consultation stage on the proposal to introduce no waiting at any time restrictions (double yellow lines) on the Westfield Avenue and Norfolk Avenue junction in the interest of safety. This will be achieved by deterring drivers from parking at or close to the junction which obscures sight lines for drivers accessing the junction. The proposal will also ensure the junction is in line with guidance set out in the Highway Code which stipulates vehicles should not park on or close to a junction.

The proposals are shown on the drawing attached (**Drawing Reference WRR25/SC/TD1**) for your information.

The statutory consultation period commences on **Friday 26th September 2025**. Representations of support or objections to the proposal, together with the grounds on which they are made must be sent in writing to Justin Bloomfield, Parking Services Lead, Town Hall, Watford, WD17 3EX or by email to parkingconsultation@watford.gov.uk. The deadline for the receipt of objections or representations of support is **23:59 on Friday 17th October 2025**.

All comments will be considered by the Portfolio Holder and local ward councillors prior to any decision being made on whether to implement the proposals.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
