Dear Resident,

Re: Proposed introduction of no waiting at any time restrictions at the Byron Avenue / Devon Road Junction

Residents have raised concerns regarding the obstructive parking that occurs close to and at the junction of Byron Avenue and Devon Road, which restricts visibility for drivers turning at the junction. This issue also creates a potential safety hazard for pedestrians accessing the junction.

It is therefore proposed to replace the existing single yellow lines at the junction with double yellow lines (No Waiting at Any Time) restrictions. This will deter parking at the junction, improve visibility, and allow drivers to manoeuvre safely.

A plan (Drawing Reference **WRR26/IF/TD1**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Friday 13th February 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
