Dear Resident/Business,

Subject: Proposed amendment of existing parking bay layout to facilitate the provision of an additional disabled bay at Cassiobury Drive / Langley Road junction

Shoppers, particularly Blue Badge Holders have raised concerns with the Council regarding the limited availability of disabled parking outside the shops/businesses at the junction of Cassiobury Drive and Langley Road. They have highlighted difficulties associated with accessing shops due to the lack of suitable disabled parking provision in this busy area.

Given the predominantly elderly population in the area and the importance of maintaining access to local amenities, it is proposed to introduce additional disabled parking bays near the shops. It would operate as the current disabled bay – **Disable Badge Holders Only**. Providing at least one additional disabled bay would increase parking capacity for Blue Badge holders and improve accessibility for older and disabled residents to the shops.

A plan (Drawing Reference **WRR26/IF/PK1**) showing the proposal is attached for your review.

As part of this informal consultation, residents and local businesses are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 13th February 2026**.

As local shops/businesses and residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
