Dear Resident,

**Subject: Proposed amendment to Parking Bay – Cassiobury Drive / Stratford Way**

Residents have raised a concern with the Council regarding visibility at the Cassiobury Drive / Stratford Way junction.

The parking bay on the northeast side of Cassiobury Drive, can reduce visibility for drivers exiting Stratford Way.

To address these safety concerns, it is proposed to shorten the length of the existing parking bay and extend the existing *No Waiting at Any Time* restrictions. This would prevent vehicles from parking within the visibility zone and improve sight lines for drivers, thereby enhancing safety for all road users.

A plan (Drawing Reference **WRR26/IF/PK3**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Friday 13th February 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
