Dear Resident,

**Subject: Proposed introduction of no waiting at any time restrictions on Sheepcot Lane opposite the junction with Sheepcot Drive**

Residents have raised a concern with the Council regarding the obstructive parking on Sheepcot Lane, outside numbers 115/117, which affects visibility and safety for drivers turning right out of Sheepcot Drive. Vehicles frequently park on the western side of Sheepcot Lane, opposite the junction, and some remain there for extended periods, reducing sight lines for drivers.

To address this safety issue, it is therefore proposed to introduce a short section of *No Waiting at Any Time* restrictions on the western side of Sheepcot Lane. This will deter parking, improve visibility for drivers, and ensure all arms of the junction are adequately protected.

A plan (Drawing Reference **WRR26/IF/ST1**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at [parkingconsultation@watford.gov.uk](mailto:parkingconsultation@watford.gov.uk). The deadline for responses is **Friday 13th February 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
