Dear Resident,

Subject: Proposed extension of waiting restrictions on Mandeville Close

Residents have raised concerns with the Council regarding obstructive parking at the entrance to Mandeville Close at the junction with Nascot Wood Road. The limited extent of the existing *No Waiting at Any Time* (double yellow line) restrictions allows vehicles to park too close to the junction. This, combined with the narrow width of the carriageway, can compromise visibility and safe access for vehicles entering and exiting the close.

To address these safety concerns, it is Therefore proposed to extend the existing *No Waiting at Any Time* restrictions further into Mandeville Close. This would help maintain adequate carriageway width, improve visibility, and ensure safer access for all road us

A plan (Drawing Reference **WRR26/IF/NA8**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Friday 13th February 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
