Dear Resident,

**Re: Proposed introduction of no waiting at any time restrictions at the Garfield Street junction with Milton Street**

Residents have raised concerns regarding the obstructive parking that occurs close to and at the junction of Garfield and Milton Street, which restricts visibility and the safe manoeuvring for vehicles accessing at the junction. This issue also creates a potential safety hazard for pedestrians accessing the junction.

It is therefore proposed to introduce double yellow lines (No Waiting at Any Time) restrictions at the junction. This will deter parking, improve visibility, and allow drivers and pedestrians to manoeuvre the junction safely.

A plan (Drawing Reference **WRR26/IF/CA2**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at [parkingconsultation@watford.gov.uk](mailto:parkingconsultation@watford.gov.uk). The deadline for responses is **Wednesday 25<sup>th</sup> February 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
