Dear Resident,

Re: Proposed introduction of no waiting at any time restrictions at the Greenbank Road/ Minerva Drive junction

Residents have raised concerns regarding obstructive parking close to and at the junction of Greenbank Road and Minerva Drive which, when combined with the bend in the carriageway, hinders visibility and restricts the safe movement of vehicles turning at the junction and passing one another along the main road at this location.

It is therefore proposed to introduce double yellow lines (No Waiting at Any Time) restrictions along both the inside and outside of the junction to deter parking. This will maintain clear access at the location, improving visibility of traffic on the main road including those accessing the junction and improve overall safety at the location.

A plan (Drawing Reference **WRR26/IF/NA9**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th February 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
