Dear Resident,

Outcome of Informal Consultation on proposals for a Permit Parking Area (PPA) Zone NB.

Thank you for taking the time to participate in the informal consultation regarding proposals for a **Permit Parking Area in your road – Zone NB**. We truly value the feedback and concerns shared by the community during this process.

After carefully reviewing all the responses and objections, a decision has been made by the Portfolio Holder and Ward Councillors not to progress with the scheme at this time. The objections raised during the consultation were considered, and following a thorough assessment, it was determined that the proposal should not move forward.

Your views are important and we will continue to inform you of future parking schemes and initiatives in your area.

If you continue to experience any issues with the road or have further concerns, please get in touch with us. We will continue to monitor the situation, and your ongoing input is significant.

Yours faithfully,

Andrew Sturgeon - Traffic Regulation Order Manager
