Dear Resident,

Outcome of Informal Consultation on proposals for a Permit Parking Area (PPA) Zone NB.

Thank you for taking the time to participate in the informal consultation regarding proposals for a **Permit Parking Area in your road – Zone NB**. We truly value the feedback and concerns shared by the community during this process.

After carefully reviewing all the responses and objections, a decision has been made by the Portfolio Holder and Ward Councillors not to progress with the scheme at this time. The objections raised during the consultation were considered, and following a thorough assessment, it was determined that the proposal should not move forward.

Properties between 1 and 50 Balmoral Road will, however, be consulted shortly on proposals to incorporate your road into the existing Permit Parking Area (PPA) Zone NA. For clarity, Zone NA currently operates *Monday to Saturday 8am to 10am and 5pm to 10pm*. Further details will be provided when the consultation process begins. This scheme will not be progressed for the remaining streets that were consulted.

The next stage will therefore be an Informal Consultation, which will provide residents and stakeholders with the opportunity to consider the proposals and help determine the level of support.

If you have any questions, please contact me by telephone or email parkingconsultation@watford.gov.uk.

Yours faithfully,

Andrew Sturgeon - Traffic Regulation Order Manager
