Dear Resident,

**Subject: Grandfield Avenue– Statutory Consultation on the proposed extension of the existing waiting restrictions**

Thank you for your feedback and comments following the informal consultation we carried out with residents between 26<sup>th</sup> January and 13<sup>th</sup> February 2026.

Ward Councillors and officers reviewed all feedback received from the informal consultation and have agreed to proceed to the statutory consultation stage on an amendment the original proposal to introduce the 5 metres of No waiting at any time restrictions (double yellow lines) on the south side of the road along the kerb adjacent to the existing parking bay (on the southern side of the road) instead. This is to alleviate the pinch point created when vehicles park on both sides of the road, which obstructs traffic flow and impedes the safe passage of larger vehicles, especially emergency services.

The proposal is shown on the drawing attached (**Drawing Reference WRR26/SC/NA4**) for your information.

The statutory consultation period commences on Friday 29<sup>th</sup> May 2026. Representations of support or objections to the proposal, together with the grounds on which they are made must be sent in writing to Justin Bloomfield, Parking Services Lead, Town Hall, Watford, WD17 3EX or by email to [parkingconsultation@watford.gov.uk](mailto:parkingconsultation@watford.gov.uk). The deadline for the receipt of objections or representations of support is **23:59 on Friday 19<sup>th</sup> June 2026**.

All comments will be considered by the Portfolio Holder and local ward councillors prior to any decision being made on whether to implement the proposals.

Yours faithfully,

Norma Adjepong

Traffic Engineer
