Dear Resident,

Re: Greenbank Road/ Minerva Drive junction – Statutory Consultation on proposed introduction of no waiting at any time restrictions

Thank you for your feedback and comments following the informal consultation we carried out with residents between 26th January and 13th February 2026.

Ward Councillors and officers reviewed all feedback received from the informal consultation and have agreed to proceed to the statutory consultation stage on the proposal to introduce No Waiting at Any Time restrictions (double yellow lines) on all arms of the junction. This will deter the obstructive parking that occurs close to and at the junction which, when combined with the bend in the carriageway, hinders visibility and restricts the safe movement of vehicles turning at the junction and passing one another along the main road at this location. It will ultimately improve visibility and overall safety at the location.

The proposal is shown on the drawing attached (**Drawing Reference WRR26/SC/NA9**) for your information.

The statutory consultation period commences on Friday 29th May 2026. Representations of support or objections to the proposal, together with the grounds on which they are made must be sent in writing to Justin Bloomfield, Parking Services Lead, Town Hall, Watford, WD17 3EX or by email to parkingconsultation@watford.gov.uk. The deadline for the receipt of objections or representations of support is **23:59 on Friday 19th June 2026**.

All comments will be considered by the Portfolio Holder and local ward councillors prior to any decision being made on whether to implement the proposals.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
