Dear Resident,

Re: Cassiobury Drive / Stratford Way – Statutory Consultation on the proposed amendment of existing parking bay and extension of existing no waiting at any time restrictions

Thank you for your feedback and comments following the informal consultation we carried out with residents between 26th January and 13th February 2026.

Ward Councillors and officers reviewed all feedback received from the informal consultation and have agreed to proceed to the statutory consultation stage on the proposal to shorten the existing parking bay on the north eastern side of Cassiobury Drive to facilitate the extension of the existing double yellow lines by 4 metres from the junction. This will deter vehicles from parking in the visibility zone for vehicles turning out of Stratford Way, thereby improving the necessary sight lines for all road users at this junction

The proposal is shown on the drawing attached (**Drawing Reference WRR26/SC/PK3**) for your information.

The statutory consultation period commences on Friday 29th May 2026. Representations of support or objections to the proposal, together with the grounds on which they are made must be sent in writing to Justin Bloomfield, Parking Services Lead, Town Hall, Watford, WD17 3EX or by email to parkingconsultation@watford.gov.uk. The deadline for the receipt of objections or representations of support is **23:59 on Friday 19th June 2026**.

All comments will be considered by the Portfolio Holder and local ward councillors prior to any decision being made on whether to implement the proposals.

Yours faithfully,

Norma Adjepong

Traffic Engineer
