

Dear Resident

Informal Consultation on proposal for 1- 48 Balmoral Road to join Permit Parking Area Zone NA

Following the informal consultation which took place between November and December 2025, regarding the creation of a new Permit Parking Area Zone, to cover the 'Sandringham Road Area' which included Balmoral Road (between St Albans Road and Bradshaw Road), it was decided not to progress to the creation of a new zone, but to re-consult the residents of 1-48 Balmoral Road on whether they would want to join the existing (Callowland) Permit Parking Area Zone NA.

The times of operation for Zone NA are **Monday to Saturday 8am to 10am and 5pm to 10pm.**

This means that properties 1-48 would be able to apply for a permit to park in the Zone NA, should they meet the eligibility criteria. In addition, vehicles parking within the currently unrestricted area of Balmoral Road adjacent to properties 2-48 would require a Zone NA permit to park here during the operational times of the zone.

The no waiting at any time and no waiting Monday to Saturday 8am-6.30pm in the section of Balmoral Road between St Albans Road and Bradshaw Road will remain unchanged. A plan of the area is attached overleaf.

Please respond either via the online survey form found at **www.watford.gov.uk/balmoral** or post the attached survey form to Parking Consultation, Watford Town Hall, Watford, WD17 3EX. The survey will be carried out between Friday 19th June and Friday 10th July 2026.

At this stage this is an informal consultation, to understand the levels of support from residents in the area. Your views are important in determining whether this proposal proceeds to the next formal statutory consultation stage or not.

Upon conclusion of this consultation, all responses received will be considered by the Portfolio Holder and your local Ward Councillors prior to any decision being made on whether to proceed. We will write to you again to inform you of this decision.

Yours faithfully,

Andrew Sturgeon - Traffic Regulation Order Manager
