Date: 4th November 2026

Dear Resident,

Re: Proposed extension of no waiting at any time restrictions on Sheepcot Drive

A concern has been raised with the Council regarding vehicles parking on both sides of the carriageway on Sheepcot Drive and on the footway on the approach to the junction with Sheepcot Lane. This reduces the available carriageway width for a two-way traffic which contributes to the congestion experienced on the road and creates difficulties for larger vehicles, including refuse collection vehicles, accessing the road safely and easily.

It is therefore proposed to extend the existing double yellow lines (No Waiting at Any Time) along the southern side of Sheepcot Drive, up to a point in line with the garden boundary of No. 68. This will help deter parking and maintain sufficient carriageway width for two-way traffic accessing the road from or towards the junction.

A plan (Drawing Reference **WRR26/IF/ST3**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
