Date: 4th November 2026

Dear Resident,

Re: Proposed introduction of no waiting at any time restrictions at the junction of Harris Road and Rushton Avenue

Residents have raised a concern with the Council regarding vehicles parking on the pavement at the junction of Harris Road and Rushton Avenue, particularly on the south-western corner. This obstructive parking restricts visibility for motorists, making it difficult for vehicles to safely access the junction. It also creates potential road safety risk due to the layout of the junction - sharp bend and nearby junctions with Gullet Wood Road and Florence Close.

It is therefore proposed to introduce double yellow lines (No Waiting at Any Time) along the south-western corner of the junction. This will deter obstructive parking, improve visibility and access, and help ensure safer manoeuvres for all road users.

A plan (Drawing Reference **WRR26/IF/ST2**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
