Date: 4th November 2026

Dear Resident,

Re: Proposed introduction of no loading at any time restrictions on St. Mary's Road

Residents have raised a concern with the Council regarding vehicles parking within the cul-de-sac on St. Mary's Road, which can obstruct access and make it difficult for vehicles, particularly larger vehicles, to turn around safely. Vehicles, including those displaying Blue Badges, have been observed parking on the existing no waiting at any time restrictions, potentially preventing other vehicles from manoeuvring safely within the cul-de-sac.

It is therefore proposed to introduce no loading at any time restrictions over the existing double yellow lines at the end of the cul-de-sac. This would prevent vehicles from stopping, helping to maintain adequate turning space and ensuring vehicles can enter and exit the road safely.

A plan (Drawing Reference **WRR26/IF/CE7**) showing the proposal is attached for your review.

As part of this informal consultation, residents in the vicinity are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important, and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors before a decision is made on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer
