Date: 4th November 2026

Dear Occupier,

Re: Proposed introduction of no waiting at any time restrictions near the children's playground on Foxhill

Residents have raised safety concerns with the Council regarding vehicles parking near the bend and adjacent to the children's playground on Foxhill. This obstructs visibility for approaching drivers and creates potential safety risks for children entering and leaving the playground. Several near misses have also been reported as a result.

It is therefore proposed to introduce no waiting at any time (double yellow line) restrictions around the playground, on both sides of the carriageway. This will deter parking in the immediate vicinity of the playground, improving visibility for all modes of traffic including reducing the risk of accidents involving pedestrian/children.

A plan (Drawing Reference **WRR26/IF/LE5**) showing the proposal is attached for your review.

As part of this informal consultation, residents and businesses in the vicinity of the playground are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents and businesses, your views are important, and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors before a decision is made on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer
