Date: 4th November 2026

Dear Resident,

Re: Proposed introduction of no waiting at any time restrictions at Edward Amey Close

The Council has received complaints from residents and Ward Councillors regarding difficulties drivers experience accessing the junction of the access road serving properties nos. 2–28 Edward Amey Close with the main Edward Amey Close carriageway. This is a result of the obstructive parking that occurs at the location, restricting visibility and making it difficult for vehicles to enter and exit the junction safely. It also raises a safety issue for pedestrians crossing that location.

It is therefore, in the interest of safety and accessibility, proposed to introduce no waiting at any time (double yellow line) restrictions on either side of the access junction serving Nos. 2–28. This would deter obstructive parking, improve visibility and maintain safe access for all road users.

A plan (Drawing Reference **WRR26/IF/ME3**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
