Date: 4th November 2026

Dear Resident,

Re: Proposed introduction of no waiting at any time restrictions on Latimer Close

Concerns have been raised to the council regarding the obstructive parking on the bend and footway on Latimer Close, by the access road into the parking area opposite Nos. 54 and 55. The parked vehicles restrict access for residents manoeuvring in and out of their driveways and reduce visibility for oncoming traffic as well as traffic accessing the parking area. Parking on the footway also creates difficulties for pedestrians, wheelchair users and parents with pushchairs, who may be forced to enter the carriageway to get around the parked vehicles.

It is therefore proposed to introduce no waiting at any time (double yellow line) restrictions on the western side of the bend. This would deter parking at the location, improve visibility and access, and enhance highway safety for all road users.

A plan (Drawing Reference **WRR26/IF/HL1**) showing the proposal is attached for your review.

As part of this informal consultation, residents in the vicinity are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important, and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors before a decision is made on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
