Dear Resident,

Re: Proposed introduction of residents' permit parking bays outside Nos. 16 and 18 Wiggenhall Road

Residents have raised concerns to the Council regarding the increased demand for parking on Wiggenhall Road, particularly around Nos. 16 and 18 and have requested that the existing waiting restrictions be amended to facilitate the provision of additional residents' parking space, following the redevelopment of both properties into flats.

It is therefore proposed to amend the existing waiting restrictions outside Nos. 16 and 18 to accommodate two additional residents' permit parking bays, operating from 8:00am to 10:00pm. This would provide additional on-street parking capacity and help address the increased demand arising from the conversion of the properties.

A plan (Drawing Reference **WRR26/IF/CE6**) showing the proposal is attached for your review.

As part of this informal consultation, residents in the vicinity are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important, and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors before a decision is made on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer
