Dear Occupier,

Re: Proposed upgrade of existing single yellow line restrictions on Bridle Path to No Waiting at Any Time restrictions

Council Officials have raised concern regarding indiscriminate parking along Bridle Path where the parked vehicles obstruct access down the road, particularly to designated disabled parking bays and car park at the cul-de-sac. This particularly affects larger vehicles, including emergency services.

It is therefore, in the interest of improving accessibility, proposed to convert the existing single yellow line restrictions along the road, from its junction with Station Road to the cul-de-sac to double yellow lines (no waiting at any time). This would deter parking, helping to maintain safe and unobstructed access down the road.

A plan (Drawing Reference **WRR26/IF/CE1**) showing the proposal is attached for your review.

As part of this informal consultation, organisation/businesses are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local organisations/businesses, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer
