Dear Resident,

Re: Proposed introduction of no waiting at any time restrictions at Nicholas Close

Residents, through Ward Councillors, have raised concerns regarding indiscriminate parking along Nicholas Close, which can obstruct access to the road and create difficulties for vehicles, particularly emergency vehicles accessing the close.

It is therefore, in the interest of improving accessibility, proposed to introduce no waiting at any time (double yellow line) restrictions along both sides of Nicholas Close- from its junction with Longspring to property no. 3. This would deter parking along this section of the road, helping to prevent the access from being obstructed and enabling vehicles to enter and exit safely.

A plan (Drawing Reference **WRR26/IF/CA1**) showing the proposal is attached for your review.

As part of this informal consultation, residents are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer
