Date: 4th November 2026

Dear Occupier,

Re: Proposed introduction of no loading at any time restrictions at the junction of Bushey Mill Lane, Knutsford Avenue and Tudor Avenue

The Council and ward councillors have received complaints regarding vehicles stopping and parking on the existing double yellow lines and footways around the junction of Bushey Mill Lane, Knutsford Avenue and Tudor Avenue. This causes obstructions to traffic flow, restricts visibility, generally creating potential safety risks for drivers, pedestrians and other road users.

It is therefore proposed to introduce No Loading at Any Time restrictions over the existing double yellow lines on all arms of the junction. This will prevent vehicles from stopping in these locations at the junction, help keep the junction clear, improve visibility and traffic flow, and provide safer access for all road users.

A plan (Drawing Reference **WRR26/IF/TD1**) showing the proposal is attached for your review.

As part of this informal consultation, you are invited to comment on the proposals. If you wish to do so, please contact us by telephone or email at **parkingconsultation@watford.gov.uk**. The deadline for responses is **Wednesday 25th November 2026**.

As local businesses, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
